# Here's why you should consider pet insurance

Even minor vet bills can add up to major spending. In fact, pet parents will spend nearly \$17 billion on veterinary care this year.<sup>1</sup> With a My Pet Protection<sup>®</sup> plan from Nationwide<sup>®</sup>, you can get cash back when you take your dog or cat to the vet.

## My company offers pet insurance. Can you tell me more about it?

Our My Pet Protection<sup>®</sup> suite offers the greatest pet insurance plans available today. You can only sign up for this exclusive coverage through your company's benefits package.

## How does it work?

You have \$7,500 to spend on your pet each year. Once you meet your low \$250 annual deductible, we'll reimburse you 90% of your vet bill.<sup>2</sup> That's it!

## What's covered?

We cover everything from ear infections and upset stomachs to diabetes and cancer.<sup>2</sup>

You'll be covered for your pet's exams, meds and lab tests. Surgeries and hospitalization are covered, too. We also offer wellness coverage for things like vaccinations and dental cleaning.

We even cover things other pet insurers don't, like prescribed nutritional supplements and prescription diets. Plus, we offer additional benefits including lost pet advertising/reward, emergency boarding and more.

## What about hereditary and congenital conditions?

Yes and yes. As long as your pet doesn't show symptoms of or isn't diagnosed with the hereditary or congenital condition before your policy effective date, it's covered.<sup>2</sup>

## That's a lot of coverage! Is there stuff that isn't covered?

There are some things that aren't covered so we can keep plans affordable, including non-veterinary services, tax, grooming and pre-existing conditions.<sup>2</sup>

## Can I still use my vet?

Absolutely. You're free to visit any licensed veterinarian, anywhere in the world—even specialists and emergency providers.

## How do I get reimbursed when my pet gets sick or hurt?

It's easy: Pay your vet, send us your claim and get money back directly to your bank account or sent via check.

## I'm interested in signing up. How soon can my pet be covered?

Applications for enrollment that are received between the 1st and 15th of the month will be effective on the first day of the next month. Applications for enrollment that are received between the 16th and the last day of the month will be effective on the first day of the following month. Policy effective dates can vary if your employer has determined a future start date due to open enrollment. Contact your plan administrator for details.
